I have the honour to state that Mrs A S R Chari, Tarworth, Lalbagh Road, Bangalore City, wrote to the Hon President, City Municipal Council, Bangalore, on behalf of the women of Bangalore City that lady members may be nominated to the Municipal Council as there are none at present in the Municipal Council This subject was placed before the Municipal Council at their meeting held on 24-5-1943 and it was resolved that when nominations are made to the Municipal Council, next time, regard may be had by Government for representation of the women and a lady member be nominated

A copy of the resolution is enclosed for favour of information of Government

I have the honour to be,
Sir,
Your most obedient servant,

Forwarded with compliments

P Survanarayana Setti
Municipal Commissioner

For a city like Bangalore city, there is not even a single woman Councillor, and recently a woman Candidate was defeated in Bommanpalli division. The Government may kindly consider the matter seriously at the time of next nomination, and when representation is given to any worthy Community, it would be better to have a lady of that unrepresented Community to satisfy both the ends

On behalf of the women of Bangalore City, I want to bring to your kind notice and that of the Council the fact that there is no lady Member in the Municipal Council There used to be at least one in the previous years Through the Women's Conference and other women organisations we were agitating for more than one to be in the Council, but it is most regrettable to find that there is not even that one now

The ladies are far too shy to stand for elections I think the best would be to nominate them I am sure in a progressive City like Bangalore City, it is regrettable to note that there is no woman Councillor to represent and safeguard the interests of women I hope this deplorable affair will be remedied in the near future

With best wishes,

Sir

I Rev T S Pushpandan, Minister, Shaffer Memorial Church East Road, Basavangudi, do hereby beg to state as follows -

That after serving for a number of years as Chief Sanitary Inspector at Kolar Gold Fields (Gold Mining Company's Service) I have settled down in Basavangudi since 1933 and have been engaged in social work as it appeals to me I have been of some service to the poorer classes irrespective of caste creed and colour distinction

That since the Shaffer Memorial Church was built and dedicated in or about the year 1938 I have been in-charge of the said religious institution as its Minister At my request the City Municipal Council was pleased to grant the site on which the Church has been raised I have the good fortune of being popular with all communities and classes Eversince the food crisis occured recently and the benign Government of His Highness the Maharaja of Mysore was pleased to constitute Food Committes and opened Depots I have tried to be of assistance to the poor in securing their food supplies and co-operated with the Food Committee members in bringing desrving cases to their kind notice If necessary a reference may be made to the services I have been rendering to Rukhnul Mulk S A Wajid Saheb Esq B A , Retd Revenue Commissioner in Mysore, Akhtar Manzil, Basavangudi, and Mr O S M Sheriff L C and Advocate of Basavangudi

That in or about the end of 1940 the Deputy Commissioner of Bangalore District and City was pleased to recommend my name to the Government for being nominated a member of the

City Municipal Council to represent the Christian Community in the Premier Municipality of the State It was then the turn of a Protestant Christian to be called upon to serve on the Council but in view of the special circumstances then prevelent Dr M Boyan, M D L L C was nominated to continue to serve on the Council

That both by temperament and my knowledge of sanitation I have great desire to serve the public as a member of the City Municipal Council, It would not be out of place for me to mention that I happen to be a Protestant Minister

Wherefore I pray that you may be graciously please to recommend my case to the Government of His highness the Maharaja of Mysore for nomination to the new Municipal Council which will come into existence from January 1944 so that I may have an opportunity of serving the people of Bangalore City and particularly the poorer classes and do my little by assisting in the task of improving still further the sanitation and health of the most important town in our State

For which act of justice I shall ever remain grateful and pray for long life and happiness of our Gracious Sovereign H H The Maharaja of Mysore and continued prosperity of his Ideal and most progressive State

I beg to remain

Sir,

I beg very respectfully to bring the following few lines to your kind and favourable consideration -

I beg to submit that I am a domiciled citizen of Bangalore City and I have the honour of belonging to the mercantile Marwari Community This Community is a minor Community in this premier City, that have been here for the past several decades Though a minor community, marwaris have contributed a lot to the improvement of the business worth lakhs and lakhs and they pay thousands of rupees to the Municipality by means of Octrio, mohatarfa etc

The Marwaris have also been taking lead in several social and phylantnrofic activities of this City for instance, I myself is connected with numerous Institutions, such as, Secretary to the Piece Goods Merchants' Association, Secretary to the Bangalore Gowrakshanashala, Life member to the Asakth Poshaka Sabha, Y M C A , Red Cross Society, the Dairy Cattle Society, the Hygenic and oral Association etc I was also nominated as a member of the Representative

Representative Assembly in the last regime Very recently I am nominated by the Government to represent at the Conference of the Gowshala and Panjrapoles which is going to be held at New Delhi very shortly

You are aware that I stood in the present election as a candidate but as chances were little of coming in, being of minor community, was obliged to withdraw and seek for nomination

So, I pray that you may be graciously pleased to consider my prayer very sympathetically and nominate me as a Member of the Newly Constituted Municipal Council to represent the interests of my Community as well as all other minor communities to whom I wish to serve by my heart and soul towards their welfare and uplift through this premier Municipality

Respected Sir,

RFF Some Suggestions in the interst of " Grow More Food ' And Rural Devolepment scheme

I wish to bring the few lines to your kind information and needful action

It is glad to note that an heavy amount has been sanctioned for the supply of Agricultral tools, Bullock parts and their iron retirials to the ryiats through Agricultral departments In this connection I wish to let you know the following matters

1 As the market rates are 300% higher than Govt Controlled rates it has come to my notice that so many goods sold to ryiats has come to market for sale To avid this, suitble instructions is to be given to concerned officers that are intersted in sale If possible any mark or syamabal may be printed on goods when it is going to be manufactured, to all tools etc etc

Specialy Iron flat pieces in lengths of 16 to 18" (which is called Gula in Kannada) is largly required by riyats The market is four times higher than Govt Controlled rates Besides as there is a struct rail and cart movment control on th even if riyats pay 4 times higer prices, in time they cannot get their requirements in their local markets So the arrangements must be made for selling of these products without any trouble means without any sanction of petal or Amal-dar By the by so many different sizes and lengths are required to each individual places O ly the required sizes and lengths must be supplied to respective places If it is find convienent, arrangements may be made for sale of this products thrpugh Village panchyits or Fooli food depots which going to be opened shortly this will help greatly to the ryiats.

Regarding agricultral implements. in mysore state largly required the following only

Mysore Momtees Bent Neck weighing 3½ Lbs and Swan Neck Momtee No 7 Pattern Weighing 3½ to 4 Lbs This is going to be manufactured now by M/s Tata Iron And Steel Co, Goverement ø Implements factory Hassan the Stuff manufactured by Hassan Implements factory, the quality is very inferior, the rates are too high For Example the above momtees are selling at Rs 54/- per doz by Hassan Implements factory where as Tata Rate for the same is Rs 24/- perdoz Besides the quality is 3 times superior than Hassan Stuff So these two Varities is to be got supplied from Tata Iron And Steel Co in the interests of poor Riyats

Pickaxes Steel xxxxxxxxxxxx And Octgon steel bar for Crow Bars this is also of the above situation this stuff also, is to be get from Tata only

M S Sheets of 11 to 13 Gauge this is not going to be manufactured by Mysore Iron And Steel Works Some special Cut Sizes of the above gauges is required by riayats to fix old Momtees heads to these sheets just to make it as like as momtees this will be cheaper than above ne momtees rates to poor Raiyats Please be kind enough to make arrangements for the import of the above from Tata Iron And Steel CO In local markets the rate are 5 times highe than controled rates So this is one of the chief products required by raiyats

Arr ngements may be made to sell all agricultral products, etc through Agriculgral depots as usal, Village panchyats Mobli food Depots, if possible through approved merchants in each taluk head quarters

Replying to a question of Mr M K Narayana Iyengar, the President informed the House that as a method of expediency, the Polling Officers were invited to be appointed as Tellers apart from 3 Scrutinizers

Mr V Venkataswamy Chetty brought to the notice of the Returning Officer about some disturbances at the Polling Booth in the V Division. The Returning Officer informed the Member that on enquiry at the Polling Booth, he learnt that there was no such trouble, but only a dispute between the parties and he had nothing to do with it

To a complaint made by Mr M Krishnaswamy Pillay, that the block supplied by him was not used and another block from the Office was substituted, the Commissioner said that the block supplied by the Member was not in size with the voting paper and hence he had to use another block.

Mr B Subbiah said that since the complaint made by the Hon'ble Member was an important one, it was necessary that the Commissioner as also the President should enquire into the matter

Mr N R Guruv Reddy - In the R A & L C Elections, for the past 10 years, I have personally applied to the Government that the blocks supplied by me might be adopted But the Government have persistently refused to do so It is neither wise nor expedient to accept the blocks prepared by the individuals. Blocks must be got prepared of a uniform size by the Government Press or any particular Block making Company to your order and to your satisfaction and to your discretion and the Council may scrutinise the blocks A uniform policy may be adopted Hereafter we may adopt a resolution that no block should be furnished by any Municipal Councillor and if any Councillor is pleased to supply, the whole set of blocks may be supplied free of cost

Mr. President - At no time, have we taken the blocks from the candidates,

Then, the following gentlemen were appointed as Scrutineers- Scrutinisers

Respected Sir,

The undersigned,some of the leading citizens of IX Division, Malleswaram,show their sincere symnathies to Mr M rishnaswami Pillay who has scored nearly 700 of the valuable Votes,inthe recent election,is in-itself a proof to show that his services are wanted by the public Only the generosity of his well-wishers in casting their other exercisable Votes,mostly towards Congress group along with the number of solid Votes,the group scored from the fully Congress sympathisers,has not given room for his election

He has selflessly fought for the poorer class in their needs,and many a time indivisually rendered his help,in their sufferings with a zeal of helping humanity The anxiety of the poorer class and his other well-wishers for his failure to secure a seat,canbe seen throughout this Division We wish that The Benevolent Government may kindly bestow on him a seat,by nominating him,to The City Municipal Council and thus encourage him to discharge his zeal of humanity in the best interest of the public

Honoured Sir,

I had a great desire to meet you to pay my respects to you and to bring the following facts to your gracious consideration in person. Inspite of my several ventures I was not fortunate enough to have an interview owing to the pressure of State duties, hence I am adopting this course, which I hope will be pardoned.

I, Rev T S Pushpanaden, Minister, Shaffer Memorial Church, East Road, Basavangudi, do hereby beg to state as follows -

That after serving for a number of years as Chief Sanitary Inspector at Kolar Gold Fields (Gold Mining Company's Service) I have settled down at in Basavangudi since 1933 and have been engaged in social work as it appeals to me. I have been of some service to the poorer classes irrespective of caste creed and colour distinctions.

That since the Shaffer Memorial Church was built and dedicated in or about the year 1938 I have been in-charge of the said religious institution as its Minister. At my request the City Municipal Council was pleased to grant the site on - which the Church has been raised. I have the good fortune of being popular with all communities and classes. Ever since the food crisis occured recently and the benign Government of His Highness the Maharaja of Mysore was pleased to constitute Food Committees and opened Depots I have tried to be of assist-

ance to the poor in securing their food supplies and co-operated with the Food Committee members in bringing deserving cases to their kind notice If necessary a reference may be made to the services I have been rendering to Rukn-ul- ulk S Abdul Majid Saheb, Esq , B A , Retd Revenue Commissioner in Mysore, Akhtar Manzil, Basavangudi, Mr C S Sheriff, M L C , Advocate of Basavangudi, Dewan Bahadur K Matthen, B A , Retd First Member, Rev Canon D Anantan and Dr D S Ramachandra Rao, M B , of Basavangudi Besides these gentlemen, may I say that you are also aware of some of my public services I am rendering

That in or about the end of 1940 the Deputy Commissioner of Bangalore District and City was pleased to recommend my name to the Government for being nominated a member of the City Municipal Council to represent the Christian Community in the Premier Municipality of the State It was then the turn of a Protestant Christian to be called upon to serve on the Council but in view of the special circumstances then prevalent Dr Koyan, M D , L C , was nominated to continue to serve on the Council

That both by temperament and my knowledge of sanitation I have great desire to serve the public as a member of the City Municipal Council It would not be out of place for me to mention that I happen to be a Protestant Minister

Therefore I pray that you may be graciously pleased to recommend my case to the Government of His Highness the Maharaja of Mysore for nomination to the new Municipal Council which will come into existence from January 1944 so that I may have an opportunity to serve the people of Bangalore City and particularly the poorer classes and do my little by assisting in the task of improving still further the sanitation and health of the most important town in our State

For which act of justice I shall ever remain grateful and pray for long life and happiness of our Gracious Sovereign

Sir,

In respect of nominations to the Bangalore City Municipality may I have the liberty of sounding a note of caution this time a peculiar situation has been created which 15 Congress members have been returned to the Municipal Council not by a working majority and only 9 independents. They are and will ever be a power in the municipality unless the persons to be nominated have a non-Congress attitude. One Mahamad Ghouse who is a nominated Councillor in place of a Mahomedan Councillor disqualified, is the staunch chella of one Ettiraguda Naidu who is this time returned unopposed to the Council from the Second Division consequent upon the withdrawal of T L Gangoge Rao in favour of Congress Candidates and who bartered away his Self-respect, prestige freedom and what not for a mess of Pottage. This Mahamad Ghouse, the present nominated Councillor should not under any circumstances be nominated for the second time since he is detrimental to the best interests of cause of the independent Candidates and is liable to be won over to the Congress side by monetary considerations being a pliable instrument in the hands of Mr Ettiraguda Naidu, a staunch Congressite

Respected Sir,

The Bangalore City Municipal Council will be constituted from December 1943 and elections have been over in the 1st week of last month. Yet, even a single seat has been reserved for Adikarnataka community for being filled up either by General or Special election. But provision has been made to nominate only one Adikarnataka candidate to the council. In consideration of the bulk of the population of the Adikarnataka community in the City, one seat in the biggest city Municipal Council like Bangalore city Municipal Council is not at all sufficient. At least two seats in this Bangalore City Municipal Council may, kindly be provided for the Adikarnataka community, in consideration of bulk and backwardness of the community and of the biggest size of the Bangalore city Municipal Council.

In connection with the nomination from the Adikarnataka community, I wish to offer myself as a candidate for being nominated to the Bangalore city Municipal Council on behalf of the Depressed class community so as to serve them as a municipal councillor.

I am a member of the Legislative Council and I am residing in Bangalore city itself. I have been nominated by Government as a member

(1) The Central Depressed class Committee, Bangalore

(2) The Depressed class Education Advisory Board

(3) The Depressed class Scholarship Committee

(4) The Adult Literary Education Sub-committee of the Board of Education

(5) The Depressed class Education Sub-committee of the Board

(6) Sri Narasimha Raja Post (Bangalore)

(7) Bangalore city food council

It will be seen from the above that I have been usefully serving the Depressed class community in various capacities to the best of my ability.

In these circumstances, I beg to request you to be pleased to consider my case for nomination as a member of the Bangalore City Municipal Council and thus give me an opportunity to serve the Depressed

community in this capacity also for which act of kind help I shall be ever grateful to you

Yours obediently,

That since the Shaffer Memorial Church was built and dedicated in or about the year 1938 I have been in-charge of the said religious institution as its Minister. At my request the City Municipal Council was pleased to grant the site on which the Church has been raised I have the good fortune of being popular with all communities and classes Eversince the food crisis occured recently and the benign Government of His Highness the Maharaja of Mysore was pleased to constitute Food Committees and opened Depots I have tried to be of assistance to the poor in securing their food supplies and co-operated with the Food Committee members in bringing deserving cases to their kind notice. If necessary a reference may be made to the services I have been rendering to Ruknul Mulk S A Wajid Saheb Esq , B A , Retd Revenue Commissioner in Mysore , Akhtar Manzil, Basavangudi, and Mr O S N Sheriff, M L C , and Advocate of Basavangudi.

That in or about the end of 1940 the Deputy Commissioner of Bangalore District and City was pleased to recommend my name to the Government for being nominated a member of the City Municipal Council to represent the Christian Community

4 He belongs to a very small community called 'Pillais' and qualifies the votes among st those in Bangalore City are very fe and it is migh difficult for such a small community to get majority of votes in Bangalore City There is little or no chance for Pillais and Adliars to be represented by election and they should therefore necessarily be nominated to secure representation in the Council

The petitioners very much regret to bring the personal character of Mr A K Jayamuthuraju to your kind notice in the interest of the poor community in the State in general and to Bangalore City in particular

1 Mr Muthuraju is a native of Anekal He is staying in Doddapalya, Bangalore City for the last three ~~xxx~~ or four years His profession is Jatka driving Being a member in the Mysore Legis-

Legislative Council representing our poor xxxx and large community, he is doing more harm than good to the Community's welfare It is evident that by the questions and resolutions brought by him before the Sessions ever since he became a member, particularly with regard to the Sanghas, Hostels and Co-operative Societies, managed by the Community members he has attempted to harm and not to help the progress of the Community

2 We may kindly be permitted to bring one or two instances of his student and later - career - We learn that he was dismissed from the A K Boarding Home, Tumkur for his misconduct and joined the Central A K Institute, Mysore, by changing his name from K Muthurappa to A K Jayamuthuraju We learn that he was once dismissed from the Sri Narasimharaja Hostel Bangalore, for his mischievous nature, which may kindly be ascertained by the Presidents and Head of the Institution pertaining to the period when he was a boarder there

3 We also learn that he was dismissed while as a Government servant in the District Education office, Tumkur for his insubordination

4 We learn that a Hostel was started by him at Tumkur in the year 1932-33 and that he suddenly absconded when the Educational authorities tried to inspect the hostel as there were allegations against

him

him in connection with some misappropriation of the Hostel funds

5 We learn that he got a Dramatic Association to stage a drama for the benefit of a certain depressed class aided Hostel which he was supposed to have conducted in the year 1934-35 in Bangalore

6 We also learn that he is involved in the Criminal case No C C 3354 of 1943-44 of Bench Court, Bangalore

7 We may bring to your kind notice as a Congress member he is always inducing the illetarate members of our Community to revolt against Government which may kindly be ascertained by the City Ration Officer, in connection with a recent trouble about the Government Ration Depot at Doddapalya We are afraid his interference and misrepresentation will bring misunderstanding between the Government and our humble community people

8 Being a resident in Doddapalya he has set up several quarrels between family and family and - dragged many innocent people to the Police Station

9 When the ration cards were introduced in the City last year, he willingly interfered in the distribution of ration cards and took bribes from several people by with-holding their cards which fact we have brought to the notice of the Municipal - Commissioner and the Food Controller There are several facts of this nature to prove the character of Mr Jayamuthuraju who is doing more adopting

adoptive of a distructive policy than constructive one to the Community

10 We expect more danger and hard ship to the Community's work by Jayamuthuraju being a member in the City Municipal Council

11 The petitioners feel sorry to bring to your kind notice that though the humble petitioners and others represented in time on behalf of our locality, both in person and through petitions, our prayers were overlooked

12 In conclusion we beg to represent that in case of undesirability on the part of the Government to trace back the steps in connection with the nomination already made, we further request that another member from our Community be nominated to the seat provided for in the Municipality as unanimously passed in the last Sessions of Legislative Council, so that any move detrimental to the uplift of the Community from Mr A K Mayamuthuraju may be counteracted and the grievances of the Depressed classes may be properly represented We sincerely hope that the Government of His Highness the Maharaja of Mysore, will do their best to redress the grievances of the Depressed Classes, with whom it is an article of faith to look forward with a

hopeful

hopeful eye towards the Government for all help and encouragement

13 Under the above circumstances and in the light of the facts stated above, we once again humbly pray your honour to kindly consider the matter and cancel the nomination of Mr A K Jayamuthuraju, in whom we have no confidence and nominate a more deserving candidate to the City Municipal Council in his place, from among our members of the localities and thus ensure us safety and protection for the poor Adikarnatakas residents of Bangalore City who are the humble subjects of His Highness the Maharaja of Mysore

We beg to remain,
Respected Sir,
Your most obedient servants,

Bangalore City,
15th Jany 1944

k Manirangaiah
